MEASUREMENT ADVISORY COMMITTEE

PUBLICATION SCHEME PREPARED IN ACCORDANCE WITH SECTION 19 OF THE FREEDOM OF INFORMATION ACT 2000

Introduction

This is the Measurement Advisory Committee's (MAC) publication scheme drawn up under Section 19 of the Freedom of Information (FOI) Act 2000. The purpose of this publication scheme is to set out:

- Classes of information we commit to publish as a matter of course
- How this information will be published
- Whether the information is available free of charge or on payment

Information about the FOI Act is available from the Department of Trade & Industry (DTI) Open Government and Data Protection Unit (contact details at end of scheme).

Role

MAC is a DTI-sponsored Advisory non-departmental Public Body which advises the DTI on spending priorities and programmes of work in support of the National Measurement System.

Format and Foreign Languages

Our publication scheme may be made available in Braille, video, textphone, audio – cassette, CD and large print at our discretion and subject to demand. MAC does not routinely publish any of its documents in languages other than English. The Scheme may be produced at the Department’s discretion in other languages subject to demand.

How to Access Information
