Notification and Qualification

How to use this form

The form is made up of 2 parts:

- Part A – Notification, and
- Part B – Qualification.

You can use this form to notify us of the details of an occupational pension scheme or section of a scheme. You can also use it to provide the additional information we need to decide whether or not a scheme is a qualifying pension scheme.

Before completing this form, please check the Financial Assistance Scheme (FAS) information on the DWP website. It contains details of schemes of which FAS has been notified. It also tells you whether or not the schemes are qualifying pension schemes. The address is www.dwp.gov.uk/fas

If you are a member of an occupational pension scheme that is winding up, you need to check with the trustees of the scheme to find out whether or not they are already in the process of notifying us. If they are, there is no need for you to do so.

Please note that you must complete separate Notification and Qualification forms for each section of a sectionalised multi-employer scheme.

References to sections in this form should be taken as references to sections of sectionalised multi-employer schemes.

A sectionalised multi-employer scheme is one where assets and liabilities are separated into different sections, each section relating to a different employer or group of employers.
Part A – Notification

We must have certain details in writing before we can consider whether or not a pension scheme is a qualifying pension scheme for the purpose of the Financial Assistance Scheme. We need to receive these details by 28 February 2006. We can only accept Notifications after this date if there is good cause for doing so.

We only need to be notified once. Please check if we have already been notified of the scheme you want to tell us about. You can do this by visiting our website www.dwp.gov.uk/fas or speaking to the trustees of the scheme.

Notification can be completed by:

a In the case of a pension scheme that is winding up:
   • Any trustee of the scheme.
   • Any member of the scheme or their appointed representative.
   • A surviving spouse or civil partner of a member of the scheme who has died.
   • Any professional adviser in relation to the scheme.

b In the case of a pension scheme that has wound up:
   • A former trustee or manager of the scheme.
   • A former member of the scheme or their appointed representative.
   • A surviving spouse or civil partner of a former member of the scheme who has died.
   • A former professional adviser in relation to the scheme.
   • Any insurance company that is paying annuities to former members of the scheme.

We will use the information you have given us to decide whether this is a qualifying pension scheme. For more information about how we make this decision, and how we decide on awards to individual members, please see our leaflet FAS P1 The Financial Assistance Scheme - A Guide for Individual Pension Scheme Members.

We will show the names of schemes which have completed the Notification requirements and are qualifying pension schemes on our website, which is updated regularly. The address is www.dwp.gov.uk/fas

You can also ask the trustees of the scheme about the status of the scheme.
