Dear Madam

ENVIRONMENTAL PROTECTION ACT 1990, SECTIONS 111 AND 112: CONSENT TO RELEASE GENETICALLY MODIFIED ORGANISMS

On 26 April I issued a consent to Emergent Europe for application 06/R40/1 to release genetically modified organisms in accordance with the limitations set out in the Schedule to the consent. The consent was subsequently varied as laid out in my letter of 20 June 2006.

Under section 111(10) of the Environmental Protection Act 1990, the consent can be varied. I am writing to give notice that the consent is being varied as follows:

The proposed period of release has changed from May 2006 to February 2008 to September 2006 to June 2008, as laid out in your letter dated 4 August 2006.

Yours sincerely
