**Items of note for the MARCH 2001 Release (Version 2 and Version 3)**

At the request of Servier Laboratories, Diamicon MR 30mg m/r tablets were allocated a Read Code (f354.) in the Read Codes Drug and Appliance Dictionary Jan 2001 release.

However, since then, Servier would like clarify to users that Diamicon MR 30mg m/r tablets are not yet available and their availability needs to be checked.

\*This applies to the GP 4-byte and GP 5-byte sets, and, the Unified Version 1 and Version 2 sets.
