These notes will help you fill in the form to apply for an Education Maintenance Allowance (EMA). Please read them before you start filling in the form.

You do not need to fill this form in if you received EMA during the 2008/09 EMA Year as you will be eligible for EMA at the same amount for up to three years, or until the year in which you turn 19. Here are some general tips

- Use a black pen and write in CAPITAL LETTERS
- Write as clearly as you can. If we cannot read the form, we will send it back to you

EMA Guarantee:

- If you received EMA during the 2008/09 EMA year, you will be eligible for EMA at the same amount for a period of up to three years (or until the year in which you are 19). You do not need to reapply; this is known as the EMA Guarantee. You will be guaranteed the same level of support you received for the 2008/09 EMA year even if your household income has increased. You will not be required to reapply for EMA, and should not complete this form.

- The EMA Guarantee does not apply to learners who received EMA as part of the special arrangements for e2e programmes; if you are planning to progress from e2e to another learning programme, you should complete this form. For more advice or information about EMA please contact us on 0800 121 8989.

- If you were awarded EMA of either £10 or £20 or were rejected for EMA support during the 2008/09 EMA year and your household circumstances have changed, e.g. your household income has gone down, you are entitled to reapply from the beginning of the next EMA year. You should complete the enclosed form if you want to know if you have now become eligible for EMA, or if you may be entitled to a higher level of EMA due to a change in circumstances.

Who can claim EMA?

Your income
You can apply for EMA if:
- the adults’ income in your household between 6 April 2008 and 5 April 2009 (Tax year 2008-09) was £30,810 or less
or
- you are a young person living independently and you get Income Support. If you are living independently and not on Income Support we may still be able to help you, please call us on 0800 121 8989.

Your age
You can apply for EMA if you were born between 1 September 1990 and 31 August 1993.

Please note: If you are starting a learning programme before week commencing 31 August 2009 and your date of birth is between 1 September 1989 and 31 August 1992, please call us on 0800 121 8989. You may need a different form. Please see guidance notes page 4.

Your learning programme
To receive EMA you must enrol on a valid learning programme in England and you must attend that course each week. So you can apply if you are thinking of starting:
- a full-time further education (FE) course, up to and including Level 3, that requires at least 12 hours guided study per week at a college or school
- a Learning and Skills Council (LSC) funded Entry to Employment (e2e) programme of at least 16 hours per week
- LSC-funded Diploma (where available)* or a course that leads to an Apprenticeship that requires 16 hours guided study per week from 31 August 2009
or
- you are leaving school in the summer of 2009 and intend to start any of the above courses/programmes from 29 June 2009.

If you are not sure if you will be continuing with a learning programme in the 2009/10 EMA year, you can still apply.

* You can find out more about Diplomas at www.direct.gov.uk/diplomas

If you are starting a full-time course between **29/06/2009** and **30/08/2009** – please call us on **0800 121 8989** and we will tell you which form to use.
How to claim EMA

You must fill in Part A of the form that came with these notes. Fill in the form as honestly and completely as you can.

If you make a mistake, make sure your changes are clear. **Do not use correcting fluid.**

Any adults who are responsible for you must also fill in Part B or Part C of the form depending on your household income.

Once you have filled in the form, make sure you have the evidence you need to complete your application and send all of it to us using the pre-paid envelope included in the EMA application pack.

If your application is accepted we will send you an EMA Notice of Entitlement (NoE) to tell you how much your payments will be. You will only receive the money if your school, college or learning provider tell us that you have enrolled on a valid learning programme and that you are attending as agreed – so when you go to enrol, remember to take your NoE with you. **You must take your NoE to your learning provider before your eligibility ends or the end of the Academic Year.**

If we receive your application **within 28 days** of you starting your learning programme, you may be entitled to receive payments from the start date of your learning programme. EMA payments cannot be made until you give your EMA NoE to your learning provider.

If your application is rejected we will write and tell you why.

How much EMA will you get?

The amount of EMA you will get depends on your household income in the tax year 2008-09:

- if it was £20,817 or less, you will receive £30 a week
- if it was between £20,818 and £25,521, you will receive £20 a week
- if it was between £25,522 and £30,810, you will receive £10 a week
- if it was more than £30,810, you do not qualify for EMA

If you are starting an Entry to Employment (e2e) programme on or after you have reached the compulsory school leaving age you will receive the maximum £30 EMA weekly payment regardless of your household income. **This applies to e2e programmes only. If you progress onto another learning programme other than e2e you will not automatically carry the £30 eligibility with you, and you will not be eligible for the EMA Guarantee whilst on an e2e programme.**
Fill in your date of birth in numbers, like this example:

25091991

**Important Information for e2e learners**

If you enrol on an Entry to Employment (e2e) programme you will receive the maximum £30 weekly EMA payment, regardless of your household income. Special arrangements are available to learners who enrol on LSC-funded e2e programmes and who meet the age and residency criteria of the EMA scheme.

If you know you are going to enrol on an e2e programme you should complete Part A of the EMA application form with your learning provider. On your behalf they should complete the green box as shown in the example below, which is found on page 1 of the form. You will not need to complete Parts B or C of the form. You should send us your completed Part A using the pre-paid envelope included in the application pack.

If your e2e provider does not enter their Unique Provider Identification Number (UPIN) and their contact details, we will not be able to process your application under the special arrangements for e2e learners. This will delay your application and payment of your EMA as we will send the form back to you to complete.

It is important to remember that if you progress from e2e then you will **not** carry the £30 eligibility onto other programmes, such as Further Education (FE) programmes. e2e learners receiving the £30 EMA are not eligible for the EMA Guarantee; you must reapply for EMA once you progress, and your eligibility will then be based on your household income and other EMA criteria.
You must read the guidance below to find out if you meet the residency criteria of EMA. You will need to confirm your eligibility by marking the box that applies to you on the application form. You should be aware that at any point we may contact you to prove that you meet the residency criteria for EMA.

We cannot process your EMA application unless you complete this section. You should only mark the box that applies to you and you must mark one box only.

Box A
- if you are a person who is ‘settled’* in the UK, and been ordinarily resident in the UK for at least the three years prior to the start of your learning programme. For example, most young people born in the UK and who have always lived in the UK would have ‘settled status’ and therefore would be eligible for EMA.

*’Settled’ means having either indefinite leave to enter or remain (ILE/R) or having the right of abode in the UK.

British citizens and certain other people have the right of abode in the UK:
- those with European Community – United Kingdom of Great Britain and Northern Ireland Passports
- British Dependent Territory Citizens (now known as British Overseas Territory Citizens)

- the child of a Swiss national who is ordinarily resident in the UK at the start of your learning programme, and have ordinarily been resident in the EEA or Switzerland for the three years prior to that or
- the child of a Turkish migrant worker who has the right to work in the UK, and who is ordinarily resident in the UK at the start of your learning programme, and have been ordinarily resident in the EEA, Switzerland or Turkey for the three year period prior to that.

Box E
If you do not meet any of the above eligible residency criteria do not apply for EMA.

Please see the diagram of residency conditions overleaf.

Temporary Absences
Absences totalling six months in three years are counted as temporary and disregarded for residency eligibility when determining if a learner has been ordinarily resident in the UK/EEA for three years prior to beginning their learning programme.

Absences between six months and three years may be counted as temporary, provided the absence was always intended to be temporary and evidence is provided to support this.

Temporary Absences and Children of Military Personnel
If you have been accompanying a parent or carer on an official overseas posting, then you will be exempt from having to have been ordinarily resident in the UK/EEA for the three years prior to beginning your learning programme.

If you meet the circumstances described above for temporary absences and absences incurred because of a parent’s or carer’s military posting, then please contact the EMA Helpline on 0800 121 8989 for advice on your eligibility.

You will not be eligible for EMA if any of the following apply:
• You are an Asylum seeker or have been granted Asylum
• You have discretionary leave or exceptional leave to enter or remain.

If you will meet the eligible residency conditions at some future point please call us on 0800 121 8989 for more help.

HM Forces Serving Overseas
If you attend a Service Children’s Education School in Germany or Cyprus, you may be able to receive EMA as if you were studying or training in England. Ask your school or call Service Children’s Education on (0049) 2161 908 2525 or visit www.sceschools.com

If you intend to study in Scotland, Wales or Northern Ireland Do not apply for an EMA using this application pack. For more information you should contact the relevant authority for an application form. Visit:
• www.emascotland.com for Scotland
• www.studentfinancewales.co.uk for Wales
• www.emani.gov.uk for Northern Ireland

To receive EMA, you must have a UK bank account in your own name that we can make payments into. We cannot make payments:
• to you by cheque or
• into someone else’s account.

We can make payments into a joint account, as long as you are one of the account holders.

In certain circumstances where a young person is unable to administer their own account, special arrangements apply. Please call us on 0800 121 8989 for help.

If you already have a UK bank account, and it is an account that can accept payments directly, you do not need to open a new one for your EMA payments. Just give us details about the account that you want us to use.
Helping you fill in Part A

If you have a Credit Union account you may be able to use it – check with your Credit Union to make sure that your account will accept EMA payments.

If you have a Post Office® card account you will **not** be able to use it – these accounts do not accept EMA payments.

**Opening an account**

If you do not have a UK bank account, you **must** open one before you apply for EMA. The account must accept direct payments. Read ‘information to help you open a Bank/Building Society account’ on page 27.

Along with your filled-in form, you must send us evidence from your bank or building society, showing your name, home address and account details (account number, sort code and roll number if applicable). Some banks may send you a letter when you open an account, but you can normally find this information on an account statement. If you have an internet bank account, your bank should be able to send you a statement in the post or you can use the form at the back of this booklet to have your bank/building society confirm your account details.

We will not accept as evidence:
- a mini statement from a cashpoint or
- a print-out of an internet bank statement.

If you do not have a statement yet, tear off the Confirmation of Bank/Building Society Account form at the back of these guidance notes and ask your Bank/Building Society to fill it in and stamp it. You can then send it to us with your application, instead of a statement or a letter showing your full account details. If you have any problems or concerns about using or opening a bank account, please call us on **0800 121 8989**.

**We cannot accept the tear off confirmation slip unless it has an official stamp from your Bank/Building Society.**

**Question A8**

Do you live with adults who are mainly responsible for you?

For EMA, adults are mainly responsible for you if you usually live with them. For many young people this means your parents or carers, but it can mean another family member or adult. If you spend time living in different households, it means the adult(s) who you live with for most of the time. If you are living with a partner and you form a household in your own right, you should mark the ‘Yes’ box and your partner should complete Part B. Please call us on **0800 121 8989** if you need help.

**Mark the ‘No’ box**

If you:
- live alone or
- live with foster parents or
- live in Local Authority care or
- are a care leaver or
- are in a Young Offender’s Institution (YOI) or
- a Secure Training Centre (STC) or
- Secure Children’s Home (SCH).

**Did you mark the ‘Yes’ box?** Go to question A12

**Did you mark the ‘No’ box?** Go to question A9.
Helping you fill in Part A

Question A9
Are you in Local Authority care, a care leaver or living with foster parents?

Mark the ‘Yes’ box if you:
• are in Local Authority care or
• are living with foster parents or
• are a care leaver.

If you mark the ‘Yes’ box, you must send us an original letter from your Local Authority that shows your address and confirms that you are in care or living with foster parents, or are a care leaver. A letter from your foster parents is not enough.

Did you mark the ‘Yes’ box? Go to question A12.

If you mark this box, Parts B or C of the form do not need filling in but you must remember to enclose the letter from your Local Authority.

Did you mark the ‘No’ box? Go to question A10.

Question A10
Are you in a Young Offender’s Institution (YOI), Secure Training Centre (STC) or Secure Children’s Home (SCH)?

Mark the ‘Yes’ box if you are applying for EMA and you are a young person on remand, or under sentence:
• in a Young Offender’s Institution (YOI) or
• a Secure Training Centre (STC) or
• Secure Children’s Home (SCH).

You will need your Youth Offending Team to help you complete your application because they must provide evidence of your detention in a letter with your application. The letter must be an original, be on letter-headed paper and include the following information:
• name of the young person
• date of birth
• period of detention
• date of release
• name of Supervising Youth Offending Team
• signature of young person
• signature of Youth Offending Team Supervising Officer
• address of young person on release (if known).

Please ensure that question A2 is completed using the address of your YOI, STC, SCH. If you want correspondence about your application to go to an address other than the one entered on the form, for example, to your Youth Offending Team or Connexions PA, then put this in the letter that supports your application. You will not be able to receive EMA until after you are released.

Did you mark the ‘Yes’ box? go to question A12.

If you mark this box, Parts B or C of the form do not need filling in but you must remember to enclose the letter from your YOI, STC or SCH.

Did you mark the ‘No’ box? Go to question A11.

Question A11
Do you currently receive Income Support?

EMA payments do not affect your entitlement to Income Support. If you do not live with adults who are mainly responsible for you, and you currently receive Income Support, mark the ‘Yes’ box.

Did you mark the ‘Yes’ box? Fill in the rest of Part A and then fill in your details in Part C where you are asked to do so. You then need to send Part C with the rest of your application form. Do not send it to your Department of Work and Pensions (DWP) office; we will verify that you currently receive Income Support with the DWP.
Do not fill in Part B.

Did you mark the ‘No’ box? We may still be able to help you, please call us on 0800 121 8989.

If you are a parent yourself, and you are mainly responsible for at least one child, mark the ‘Yes’ box. For EMA you are ‘mainly responsible’ if the child usually lives with you and you receive Child Benefit for them. You can still be the main carer if someone (such as a relative or child minder) looks after your child when you are attending your learning programme, but you cannot be the main carer if your child is in care or lives at a different address to you. It does not matter if you are the mother or the father.

If a child you are responsible for lives with another family for part of the time, you must decide who has the main responsibility for the child. If it is you, mark the ‘Yes’ box. If not, mark the ‘No’ box. If you have any questions about who has main responsibility for the child, please call us on 0800 121 8989 for help.

When you call, you will need to tell us when your child or children were born.

EMA does not affect your entitlement to Child Benefit.

Did you mark the ‘Yes’ box? Before you fill in any more of the form, call us on 0800 121 8989. We will tell you what to do next as there are special arrangements for parents who apply for EMA.

You may be eligible for help with childcare costs with the Care to Learn scheme if you:
• are using OFSTED registered childcare for your child/children; and
• are aged under 20 when your learning starts; and
• are following any publicly-funded programme of learning.

Visit the website www.direct.gov.uk/caretolearn or call the helpline on 0800 121 8989.

Did you mark the ‘No’ box? Go to question A13.

We want to make sure that we are reaching all parts of our community so that everybody has the opportunity to benefit from EMA. Any information you give us will be completely confidential.

You do not have to answer these questions; it will not make any difference to your application.

Do you consider yourself to have a disability?
The Disability Discrimination Act 1995 states that a disability is a physical or mental impairment which has a substantial and long-term (that is more than 12 months) adverse effect on a person’s ability to do normal daily activities. You may still be considered to have a disability if you are not adversely affected at the moment but the impairment is likely to recur.

Important information if you live with adult(s)/carer(s)
Your EMA application is assessed by household income and the application form contains your parents’/carers’ financial details. Because of this, it is important that we know if you will let us talk to them about your application. We won’t give out information about your application or payments to anyone without your agreement. This includes giving out information over the telephone or by post.

Call us on 0800 121 8989 between 07:00 to 20:00 Monday to Friday or visit our website at www.direct.gov.uk/ema
**Helping you fill in Part A**

**Boxes A and B**

If you agree to let us talk to your parents/carers we will ask them about details on your application form as a security measure before we talk to them.

If you do not mark these box(es) you are saying that we can discuss your EMA application with the adult(s) you name on the form. If you mark either Box A or Box B, we will not talk to the parent/carer named as Adult 1 or Adult 2 in Part B of the form.

Please call us on **0800 121 8989** for help.

**Box C**

The Learning and Skills Council (LSC) would like to find out what you think about the education or training that you receive. They may wish to contact you about taking part in surveys and research. To be completed by the adult(s) who are mainly responsible for the young person or by the young person if they are a parent themselves.

For EMA, you are mainly responsible for a young person if he or she usually lives with you.

This normally means the parent(s) of the young person, but it can mean the legal guardian, such as another relative, if the young person usually lives with them.

If the young person is in Local Authority care, a care leaver, or living with foster parents they should mark ‘Yes’ for question A9 and Parts B and C should be left blank. In this case, please include a letter from the Local Authority stating that the young person is in care, is a care leaver or is with foster parents.

If the young person is in a Young Offender’s Institution (YOI), Secure Training Centre (STC) or Secure Children’s Home (SCH), they should mark ‘Yes’ for question A10 and Parts B and C should be left blank. In this case, you must include an original letter from the Institution confirming the young person’s circumstances.

About your income
The amount of EMA the young person receives will depend on your annual income.

For the EMA application process, this means your household income (your joint income if you are a couple) for the tax year 6 April 2008 to 5 April 2009.

Do not tell us how much income you currently receive.

Couples
The term ‘couple’ means:
• a man and a woman who are married to each other, or who live together as if they are married
• two people of the same sex who are in a civil partnership, or who live together as if they are in a civil partnership.

You are still a couple even if you are living apart temporarily. For example, one of you is working away from home or you have separated on a trial basis.

If you are part of a couple the amount of EMA the young person receives is based on your joint income. That means you each need to give us the details of your individual income for the tax year 2008-09. Even if you were not a couple in that year we need the details of both of your individual incomes for the whole year.

If you are part of a couple, give details for one of you in the ‘Adult 1’ column and the other in the ‘Adult 2’ column. It does not matter who completes which column, as long as you mark the same column throughout the form.
Helping you fill in Part B

Information about the Disability Discrimination Act 1995 (DDA)

If at the time of applying your household income is lower than it was in the tax year 2008-09, and this is due to disability as stated by the DDA, we may be able to take your current household income into account for EMA assessment purposes.

Please read the information below carefully. If you feel that the circumstances described here apply to you or you need further information, please call us on 0800 121 8989 and we will advise you how to complete the application. You must be aware that the onus will be on you to prove the disability by means of a medically based statement. We will provide you with details of what we can accept when you call us.

Some basic information about the Act which may help you

The DDA defines a disability as a physical or mental impairment which has a substantial and long term (that is more than 12 months) adverse effect on a person’s ability to do normal daily activities. If you would like to know more about the DDA and whether your medical condition is covered, then further information can be found at www.equalityhumanrights.com

The Act sets out the circumstances in which a person is ‘disabled’. It says you are disabled if:

• you have a mental or physical impairment
• this has an adverse effect on your ability to carry out normal day-to-day activities
• the adverse effect is substantial
• the adverse effect is long-term (meaning it has lasted for 12 months, or is likely to last for more than 12 months or for the rest of your life).

What are ‘normal day-to-day activities’?

At least one of these areas must be substantially affected:

• mobility
• manual dexterity
• physical co-ordination
• continence
• ability to lift, carry or move everyday objects
• speech, hearing or eyesight
• memory or ability to concentrate, learn or understand
• understanding of the risk of physical danger

There are some special provisions, for example:

• if your impairment has substantially affected your ability to carry out normal day-to-day activities, but doesn’t any more, it will still be counted as having that effect if it is likely to do so again
• if you have a progressive condition and it will substantially affect your ability to carry out normal day-to-day activities in the future, you will be regarded as having an impairment which has a substantial adverse effect from the moment the condition has some effect on your ability to carry out normal day to day activities
• cancer, HIV infection and multiple sclerosis are covered effectively from the point of diagnosis
• people who have had a disability in the past but are no longer disabled are covered by certain parts of the DDA.
Examples of reduction in Income
Note: that this will only be of benefit to you if the household income has reduced. Here are some examples:

- if your household income in 2008-09 was more than £30,810 (EMA cannot be paid if you earn more than this amount) but due to disability it has now dropped below this amount, the young person may now be eligible for EMA. Please call us on 0800 121 8989

- if your household income in 2008-09 was £22,000 but it has now reduced to £15,000 due to disability, the young person may now be entitled to a higher rate of EMA. Please call us on 0800 121 8989

If your household income in 2008-09 was lower than £20,817 then you would already qualify for the maximum rate of EMA, even if your income has reduced further due to disability. If these circumstances apply then there is no need to ring us, simply continue to complete the application on the basis of your 2008-09 household income.

If you have read the information but are still not sure what to do please call us on 0800 121 8989.

The easiest way to tell us about your income is to send us your Tax Credit Award Notice (Form TC602). This shows your household income for the whole of the tax year 2008-09.

You will receive an Award Notice if you receive child tax credit or working tax credit - an example of what it looks like is shown on page 18. Make sure the Award Notice refers to your income for the whole of the tax year 2008-09.

Do not send us a Review Notice (Form TC603R).

Please send us your Award Notice with the application. You must send the original Award Notice and not a photocopy, and you must send all the pages. We will return it promptly as we process the application.

If you have an Award Notice but it does not show your total income for the tax year 2008-09, or shows zero income - perhaps because you were on Income Support when you applied - mark the ‘No’ box.

If you do not have an Award Notice for the tax year 2008-09 or you do not wish to wait for the Award Notice to be sent to you after the end of the tax year, you can apply using a P60 or other evidence of your income. For more help, call 0800 121 8989.

For more information about Tax Credits, visit www.hmrc.gov.uk/taxcredits or call the Tax Credits Helpline on 0845 300 3900 (textphone 0845 300 3909).

Did you mark the ‘Yes’ box? Fill in the amount from the Award Notice in the box where we have asked for it, rounded down to the nearest pound. Now go straight to the declaration at B13. You do not have to fill in Part C.

Did you mark the ‘No’ box? Go to question B5.

Tax Credit Award Notice example. Please see page 17 for additional guidance.

If you have a Tax Credit Award Notice, write in your total income from 6 April 2008 to 5 April 2009 as shown here - not the amount of tax credits you are receiving. This diagram may help you.
Where to find details of your pay from employment in the year 6 April 2008 to 5 April 2009 (2008-09)

All of your employers in 2008-09 should have given you a record of your taxable pay. This will be a P60, or a P45 if you left before 5 April 2009.

If you had only one job in the year 2008-09, copy the figure labelled ‘Total for the year’ on your P60, or ‘Total pay to date’ on your P45.

If you had more than one job, add together the ‘in this employment’ figures from all your P60s and P45s.

Did you mark the ‘Yes’ box? Go straight to the declaration at question B13. Then fill in your details and the benefits you received in Part C and send it to the Learner Support Service, with the rest of your application form. Do not send it to your DWP office; we will verify the social security benefits you received with them. Please do not send Part C separately, it must be sent in with the other parts of the application form.

Did you mark the ‘No’ box? Go to question B6.

**Question B5**

Did you receive Income Support, Income-based Jobseeker’s Allowance, Income-related Employment and Support Allowance or Pension Credit for the whole of the tax year 2008-09, you should mark the ‘Yes’ box.

If you did not receive any of these benefits, or if you received them for part of the tax year 2008-09, you should mark the ‘No’ box.

**Did you mark the ‘Yes’ box?**

Go straight to the declaration at question B13. Then fill in your details and the benefits you received in Part C and send it to the Learner Support Service, with the rest of your application form. Do not send it to your DWP office; we will verify the social security benefits you received with them. Please do not send Part C separately, it must be sent in with the other parts of the application form.

**Question B6**

Write in your total taxable pay as an employee from all jobs before taking off Tax and National Insurance contributions.

If you are an employee, do not leave this box blank. You should only answer this question if you marked the ‘No’ box for questions B4 and B5.

**Before you write in the total(s), read the notes below**

Enter your total income from all your paid employment in the year 6 April 2008 to 5 April 2009. We need to know your total earnings for the year before tax, National Insurance contributions and other deductions are taken off. Look for the figure usually described as ‘pay’ or ‘taxable pay’ on your P60 Certificate.

If you had more than one job, add together the ‘in this employment’ figures from all your P60s and P45s.

If you are an employee, do not leave this box blank. You should only answer this question if you marked the ‘No’ box for questions B4 and B5.

**Before you write in the total(s), read the notes below**

Enter your total income from all your paid employment in the year 6 April 2008 to 5 April 2009. We need to know your total earnings for the year before tax, National Insurance contributions and other deductions are taken off. Look for the figure usually described as ‘pay’ or ‘taxable pay’ on your P60 Certificate.

If you had more than one job in the year – one after the other or at the same time – we need information about your total pay from all of them.

**Include**

- total pay from all your employed work, including any tips and gratuities and Statutory Sick Pay
- payment from your employer because your job changed or ended. Don’t include the first £30,000 - only include any amount you got over that
• taxable gains from security options you got because of your job, for example, company shares or bonds
• strike pay which you received from your trade union
• payment for work you did in prison or on remand.

**Deduct**
• work expenses you have paid out and that your employer has not paid back to you. The expenses must be wholly, exclusively and necessarily in the performance of your duties
• tax-deductible payments you have made and have not been paid back for. For example fees and subscriptions to professional bodies, indemnity insurance, agency fees
• contributions to charity under a payroll giving (GAYE) scheme. If the amount for GAYE has been deducted by your employer, no further adjustment is necessary
• gross payments under Gift Aid
• flat-rate expenses agreed by your employer and HM Revenue & Customs, to maintain or renew tools or special clothes (such as a uniform) you need for your job.

If you had more than one job, use the working sheet below to help you work out your total earnings.

**(If you write anything for question B6, you must send any P60, P60U or P45 form(s) you have relating to the tax year 2008-09 with the application. You must send the originals, and not photocopies. We will return them to you when we have processed the application, normally within two weeks.)**

**Go to question B7.**

You may have received benefits from your employer which were not paid out in wages but are taxable. These are called benefits in kind. If you received any benefits in kind during the year 6 April 2008 to 5 April 2009 your employer should tell you their ‘cash equivalent’ on either a form P9D or P11D.

For EMA purposes you only need to include certain benefits in kind. If you have not received a form P9D or P11D for the year 6 April 2008 to 5 April 2009 and you think you should have, ask your employer. If you have received a P9D or P11D from more than one employer, add the figures together to show the total amount received from all employers.

For EMA purposes we take into account the value of the following benefits in kind:
• goods and assets your employer gave you (for example, gifts of food, fuel, cigarettes or clothes) - shown on form P11D section A or P9D section A(2) in the third and fourth boxes
• payments made by your employer on your behalf (for example, payment of rent or utility bills) - shown on P11D section B in the first box numbered 15, or P9D section A(2) in the first, second and fifth boxes
• cash or non-cash vouchers and credit tokens (for example, a company credit card) - shown on P11D section C, or P9D section B (add together all the boxes). Don’t include the cash equivalent of childcare vouchers if they are used to pay for registered or approved childcare.

• mileage allowance. Include payments for using your own car – enter the taxable amount shown on form P11D section E. If your mileage costs are not paid by your employer, or they only pay a little of it, please call us on 0800 121 8989.

• company car - shown on P11D in box 9 of section F

• car fuel benefit – shown on P11D in box 10 of section F

• expenses payments made to you or on your behalf - shown on P11D sections J, M or N or P9D section A(1). You might be able to reduce this amount by claiming a deduction of expenses allowed for certain Income Tax purposes.

If you write anything for question B7, you must send us any P9D or P11D forms you have relating to the tax year 2008-09 with the application. For most documents about your income we need an original and not a photocopy, but we will accept copies of your P9D or P11D forms. We will return them to you when we have processed the application, normally within two weeks.

Go to question B8.

If you are self-employed (either on your own or in partnership) you must enter your total profit for the year to 5 April 2009.

• if you have more than one business, you must enter the total profit from all your businesses

• if your business had other income or profits you must include these in the amount – for example, rental income

• if you use averaging because you’re a farmer, market gardener or creator of literary or artistic works. You can’t use averaging in your EMA claim. So you need to adjust your total profit figure to take out the averaging

• if you traded outside of the UK in 2008-09 you should enter your profit in British pounds, not the foreign currency

• if you made Gift Aid payments or personal pension or retirement annuity contributions you need to deduct the gross amount

• if your business made a trading loss in the tax year 2008-09 enter ‘0’. However, the EMA rules on trading losses operate separately from those for Income Tax. This means that for EMA purposes you deduct the trading loss from

- any other income you may have had for the year

- in a joint claim, any other income which you and your partner may have had for the year.

If you received any of these types of income/benefits for all of the tax year 2008-09, or just part of the year, tell us the details in the box provided. You do not need to tell us how much income you received; only what kind(s) of income it was and when you received it. See examples below.

Please write the type of income you received and when you received it in here:

Child Tax Credits from 6 April 2008 to 30 September 2008 then got a job and this is shown in Part B and I’ve supplied my P60 as evidence.

Maintenance from ex-partner and child benefit for the whole tax year.

Now go straight to the declaration at question B13.

If you received any social security benefit payments during the tax year 2008-09 you must fill in Part C, if appropriate.
Read the declaration very carefully. You are not required to sign and date your application, but by submitting the application form, you are telling us that:

• you have read and understood these guidance notes
• you have read and understood the Data Protection Statement
• you are confirming that the young person is eligible for EMA on residency grounds and
• that all information given in support of this application is correct and complete to the best of your knowledge and belief.

Who fills in Part C?

Only fill in your details in Part C if

• you are the adult(s) mainly responsible for the young person, and you received any of the following social security benefits in the tax year 2008-09; Income Support, Income-based Jobseeker's Allowance, Income-related Employment and Support Allowance, Pension Credit, Carers Allowance, Contribution-based Job Seekers Allowance, Contribution-based Employment and Support Allowance, Incapacity Benefit or Bereavement Allowance

or

• you are the young person, and you live independently, and you currently receive Income Support. If you live independently and are not currently on Income Support we may still be able to help you - please call us on 0800 121 8989.

What you need to do

You need to fill in the young person and Adult 1 details in the boxes provided on Part C. These should be the same details that you used in Parts A and B.

Income Support, Income-based Jobseeker’s Allowance, Income-related Employment and Support Allowance and Pension Credit

If two adults are mainly responsible for the young person, and one of the adults received Income Support, Income-based Jobseeker’s Allowance, Income-related Employment and Support Allowance or Pension Credit for the whole of the tax year 2008-09, then that adult should fill in their details on the page headed ‘Part C - first adult’. If you do this, the second adult does not need to fill in their details on the page headed ‘Part C - second adult’.

Young person

If you live independently and receive Income Support you should fill in your details and the date you started receiving Income Support.

When you have filled in Part C, send it to the Learner Support Service, with the rest of your application form. Do not send it to your DWP office, we will verify the social security benefits you received with them. Please do not send Part C separately, it must be sent with the other parts of the application form.
Please ensure you have:
• enclosed evidence of the young person’s bank account that shows name, home address, account number, sort code and roll number
• checked the young person has filled in Part A
• filled in Part B and enclosed income evidence for 2008-09
• filled in the social security benefits received in 2008-09 on Part C (if relevant).

Send back the parts of the form that you have filled in, along with any evidence that we have asked for. Any evidence you send with your application must be originals (photocopies will not be accepted).

When you send the application to us, please use the pre-paid envelope provided and do not fold the form.

What happens next?
Normally, within three weeks, we will:

• write to the young person and tell them whether or not they are eligible to receive EMA. If they are, we will tell them how much they will get if they enrol on a valid learning programme. They will need to take their Notice of Entitlement (NoE) with them when they enrol on a full-time learning programme. You must take your NoE to your learning provider before your eligibility ends or the end of the Academic Year

• write separately to the adult(s) and tell them whether or not the young person is eligible to receive EMA. We will confirm what income we have used to make the assessment.
Information to help you open a Bank/Building Society account

Education Maintenance Allowance (EMA) is a weekly payment of £10, £20 or £30 paid to young people who stay in learning beyond 16 by either, starting a full time further education course at a college or school, joining a Learning and Skills Council (LSC) funded Entry to Employment (e2e) programme, a Diploma, or a course that leads to an Apprenticeship.

**How is EMA paid?**
EMA is paid direct into a young person’s Bank or Building Society account.

**What sort of account is required to receive EMA?**
Any Bank or Building Society account that accepts BACS will be suitable to receive EMA payments.

**How to choose the right account**
There is a wide range of Bank or Building Society accounts to choose from, so it may be helpful to speak to your local Bank or Building Society to decide which account is best for you. If you are already 16, ‘basic bank accounts’ are designed to be the easiest to open and are available to almost everybody. If you are not yet 16, there are a range of accounts which will accept BACS.

**What is a basic bank account?**
A basic bank account is a very straightforward account that allows you to pay money into your account and get cash out by card. You do not get a cheque book and cannot take out more money than you have with a basic bank account. With most Bank or Building Societies you don’t need to put any money into a basic bank account to open it. With others, £1 is usually enough to get you started.

If you would like to know which Banks or Building Societies offer basic bank accounts and what they call them, please visit the Financial Services Authority (FSA) website at [www.moneymadeclear.fsa.gov.uk/publications](http://www.moneymadeclear.fsa.gov.uk/publications) or call their Consumer Helpline on 0845 606 1234 (calls are charged at local rates) for more information.

**How to open a bank account**
Bank or Building Societies are required by law to check your identity before opening an account. So, if you want to open a bank account you have to be able to provide evidence of who you are and where you live. Staff at the Bank or Building Society will be able to tell you the sort of evidence they need - normally it will be a current passport, a current driving licence, or a household bill.

If providing this kind of proof is difficult for you, don’t worry, some Banks and Building Societies will accept something else such as an original letter or statement from any responsible person who knows you, like a social worker, teacher, Connexions Advisor or hostel manager.

Tear off this page and take it into your local Bank or Building Society, explain that you want to open a bank account for EMA. They will discuss with you what sort of account will be best for you and what evidence you need to provide. If necessary the member of staff can refer your application to someone who can authorise accounts in exceptional circumstances.
