EXPLANATORY MEMORANDUM TO

THE EUROPEAN GROUPING OF TERRITORIAL COOPERATION (AMENDMENT) REGULATIONS 2008

2008 No. 728

1. This explanatory memorandum has been prepared by the Department of Business, Enterprise & Regulatory Reform and is laid before Parliament by Command of Her Majesty.

This memorandum contains information for the House of Lords Select Committee on the Merits of Statutory Instruments.

2. Description

2.2 With the exception of regulation 2(4), the amendments are consequential upon the replacement of certain provisions in the Companies Act 1985 with equivalent provisions in the Companies Act 2006, principally those relating to accounts and audit.

2.3 Regulation 2(4) omits regulation 4(2) of the EGTC Regulations, which is otiose. In its 28th Report for Session 2006-7, the Joint Committee on Statutory Instruments drew the special attention of both Houses to those Regulations on the ground that they were defectively drafted in that respect (link attached).

2.4 The only changes of substance made by these Regulations are that sections 499 and 500 of the Companies Act 2006 (rights of auditors), are applied to EGTCs by regulation 2(5) (inserting new regulation 6(1)(o)). The EGTC Regulations had not previously applied their equivalents in Part 11 of the Companies Act 1985, which appear to have been overlooked when the provisions of Part 7 of that Act were applied to EGTCs.

2.5 The EC Structural Funds Regulations for 2007-2013 included the EC EGTC Regulation. The aim of this new legal instrument was to facilitate cross-border, transnational and/or inter-regional co-operation between regional and local authorities. An EGTC formed under the EGTC Regulation would be invested with
legal personality for the implementation of territorial co-operation programmes based on a convention agreed between the participating national, regional, local or other public authorities.
