

# Information

For Patients, Staff and Visitors

Filming will be taking place at this ward on:

The staff on this ward have been working hard to really improve the safety and quality of patient care. This work is being filmed so that other wards and hospitals can learn from the experiences here.

**You will not be filmed unless a member of the film crew has asked you for your permission.**

If you have any questions please ask the nurse in charge.

Thank you.

Nurse in charge:
