1 Introduction

1.1 This Agreement is made between the Learning and Skills Council (the Council) and [***Name of the Body***] (CM: insert short descriptor of the Body e.g. local authority (Authority)/Ministry of Defence (MOD)/Department of Health (Department) Sector Skills Council) regarding the amount of funding to be paid by the Council to the Body for Learning Provision (Provision) for the period commencing 1 August 2009 to the 31 July 2010.

1.2 The funding allocation(s) by the Council is made subject to the conditions set out in this Agreement and any documents referred to herein.

2 Funding and Payment

2.1 The total amount of funds which the Council agrees to pay to the Body is set out in the Appendix 1 and Appendix 2 up to the overall maximum value which is attached to and forms part of this Agreement.

2.2 The learner numbers covered by this Agreement are set out in Appendix 1 and Appendix 2.

2.3 All payments by the Council will be made via BACS, and will be made within [contract manager to insert] X working days of the end of each month.

2.4 Where the Body delivers Employer Responsive provision, the payment will be split between the 1 August 2009 up to the 31 March 2010; and the 1 April 2010 up to the 31 July 2010. The Council will only pay for delivery in the financial year the delivery takes place; claims made for delivery outside of the relevant financial year will not be paid.

3 Conditions of Funding

3.1 The Provision to be delivered under this Agreement is the delivery of the Learning Programmes as set out in the Summary of Programme Funding at Appendix 1 and Appendix 2 of this Agreement. The detailed requirements in respect of each Learning Programme are set out in the Funding Requirements for 2009/10 as amended from time to time by the Council and which form part of the terms and conditions of this Agreement.

3.2 The maximum value for each Learning Programme as shown in Appendix 1 may not be exceeded for any reason except by an agreed variation in writing to the Agreement. The Council will not be liable to
make any payment in excess of the maximum values set out above or as varied in writing. Where the period of the Agreement is longer than one year funding for subsequent years is subject to funds being made available to the Council.

3.3 The Provision is to be delivered in accordance with any specific regional requirements, any tender document submitted by the Body and the Supporting Documentation as attached at Appendix 2 to this Agreement which sets out the activity and/or scheduled payment profiles for the Provision agreed by the Parties, which all form part of the terms and conditions of the Agreement. The Body is not permitted to vire funding between Learning Programmes except by way of an agreed variation in writing to the Agreement.

3.4 The Body must use the Council’s funding solely for the purpose of delivering the Provision agreed in Appendix 1 and Appendix 2 of this Agreement. Any funds not used for the purposes intended must be returned to the Council.

3.5 The Body must meet the Council’s requirements for the provision of information and audit certificates.

3.6 For the avoidance of doubt the overall maximum values for each Learning Programme at Appendix 1 takes precedence. Where the Body considers that the combination of funding rates, as published on the Learning Aims Database and volumes would result in the overall maximum value being exceeded, the Body must notify the Council and the Parties will either agree a variation to the volumes, funding rates or to the maximum value for the Learning Programme to ensure the Body remains within the agreed maximum value.

3.7 The Body may not sub-contract the delivery of the Provision otherwise than with the prior written consent of the Council. Sub-contracting any part of the delivery shall not relieve the Body of any obligation to comply with the conditions of funding as set out in this Agreement and the obligation to ensure the proper delivery of the Provision.

3.8 Where the Council identifies that the Body is failing to deliver the volumes for any Learning Programme set out in Appendix 1 and Appendix 2 of this Agreement, it reserves the right in its absolute discretion to reduce the overall maximum value for that Learning Programme.

3.9 The Council will restrict delivery of this Agreement against the funding available up to the 31 March 2010 as detailed in Appendix 1 and Appendix 2. Where the delivery within this financial year fails to meet the minimum levels of performance or where the delivery in this period would result in the overall maximum value being exceeded, the Council reserves the right at its absolute discretion to vary the Agreement accordingly.
4 Specific Learner Incident Reporting Requirements

4.1 The Body shall inform the Council of injuries and diseases to learners within the scope of the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 1995 and fatal road traffic accidents. This shall be done by:

The Body will take the necessary actions in order to comply with current vulnerable groups legislation and safeguarding requirements will register with the criminal records bureau where their employees may have regular contact with learners under 18 or other vulnerable learners and make the appropriate checks to ensure that employment that involves regular contact with young people under the age of 18 or other vulnerable learners is not offered to or held by anyone who has been convicted of certain specified offences, or whose name is included on lists of people considered unsuitable for such work held by the Department for Children Families and Schools and the Department of Health. The Body will carry out criminal records bureau checks on all overseas applicants for employment and seek additional information about an applicant’s conduct. The Body must review its records and be able to demonstrate that they have robust record-keeping procedures through checks on record keeping undertaken.
