1 Introduction

1.1 This section of the Financial Memorandum records the agreement between the Learning and Skills Council (the Council) and [***Name of College***] (the College) regarding the amount of funding to be paid by the Council to the College for Provision for the period commencing 1 August 2009 to 31 July 2010.

1.2 The funding allocation(s) by the Council is made subject to the general conditions of payment of funds by the Council to the governing body of the College set out in Part 1 of the Financial Memorandum between the Council and the College and to the conditions set out in this Part 2 and any other documents referred to therein.

2 Funding and Payment

2.1 The total amount of funds which the Council agrees to pay to the College is set out in the Appendix 1 and Appendix 2 which is attached to and forms part of this Financial Memorandum.

2.2 The learner numbers covered by this Financial Memorandum are set out in Appendix 1 of this Financial Memorandum Part 2.

2.3 The Council will make payments of funding to the college against a monthly payment profile.

2.4 Where the College delivers Employer Responsive provision, the payment will be split between the 1 August 2009 up to the 31 March 2010; and the 1 April 2010 up to the 31 July 2010. The Council will only pay for delivery in the financial year the delivery takes place; claims made for delivery outside of the relevant financial year will not be paid.

3 Conditions of Funding

3.1 The detailed requirements in respect of each learning programme are set out in the Council’s Funding Guidance 2009/10 as amended and updated from time to time by the Council and which form of the terms and conditions of this Financial Memorandum.

3.2 The maximum value for each Learning Programme as shown in Appendix 1 and Appendix 2 may not be exceeded for any reason except by an agreed variation in writing to this Financial Memorandum. The Council will not be liable to make any payment in excess of the maximum values set out above or as varied in writing. Where the contracted period is longer than one year, funding for subsequent years is subject to funds being made available to the Council. The College is not permitted to vire funding between Learning Programmes except by way of an agreed variation in writing to the Agreement.

3.3 For the avoidance of doubt the overall maximum values for each Learning Programme at Appendix 1 takes precedence over the delivery profile and volumes in Appendix 2. Where the College considers that the combination of funding rates,
as published on the Learning Aims Database and volumes would result in the overall maximum value being exceeded, the College must notify the Council and the Parties will either agree a variation to the volumes, funding rates or to the maximum value for the Learning Programme to ensure the College remains within the agreed maximum value.

3.4 The Provision is to be delivered in accordance with any specific regional requirements and delivery profiles and any tender document submitted by the College which all form part of the conditions of funding, this will include Appendix 1 and Appendix 2 of this Contract.

3.5 The College shall, where applicable, advise Connexions as soon as possible if a young person does not enrol for a place they have accepted, or if they leave before completing their Learning Programme.

3.6 Where the Council identifies that the College is failing to deliver the volumes for any Learning Programme set out in Appendix 1 and Appendix 2 of this Financial Memorandum it reserves the right in its absolute discretion to reduce the overall maximum value for that Learning Programme.

3.7 The Council will restrict delivery of this Financial Memorandum against the funding available up to the 31 March 2010 as detailed in Appendix 1. Where the delivery within this financial year fails to meet the minimum levels of performance or where the delivery in this period would result in the overall maximum value being exceeded, the Council reserves the right at its absolute discretion to vary the Financial Memorandum accordingly.

3.8 The College must supply to the Council’s Data Service data on each individual learner, in accordance with the data collections framework set out in the ‘Specification of the Individualised Learner Record 2009/10’ as amended and updated which is published on the Information Authority’s website (www.theia.org.uk) and in accordance with the ‘Provider Support Manual 2009/10’ as amended and updated.

3.9 The Council will require the College to:

3.9.1 review the management reports provided by either the College Internal Auditors or by the Council’s Funding Auditors about the quality and reliability of the College’s MIS and ILR data;

3.9.2 commission either the College’s Internal Auditors or the Council’s Funding Auditors to evaluate and support the college’s actions and action plan to address any data quality issues that have been identified in the resulting management letters; and

3.9.3 secure confirmation from the Governing Body that it has been informed of any concerns and secure their commitment to overseeing the timely and accurate return of data in future.
3.10 The Council may allocate additional funds to the College during the course of this agreement. Where these funds are to be consolidated within the college’s FE agreed funding allocation, a revised Appendix 1 will be issued. The terms and conditions of this Financial Memorandum will apply to these funds unless otherwise specified. Where the additional funds are not consolidated, the general terms and conditions of this Financial Memorandum will still apply unless specified otherwise.

4 Partnership Provision

4.1 The College must make an annual self-declaration of the partners with whom they are or will be working on the standard form published in the LSC’s ILR Funding Claims and Audit Returns as amended and updated (see paragraph 28 of that document). Information to be provided includes:

The Council will refer in turn to the College’s latest self-assessment report using the Provider Gateway.

The College will update and agree with the Council revisions to any current action plans setting out how it intends to implement its quality improvement actions.

5.7 Where all or any part of the Provision (including leadership and management) delivered under this Financial Memorandum is assessed by OFSTED as inadequate the Council will regard the College as being at serious risk of failure to deliver the Provision, and paragraph 5.4 will apply.

5.8 Where it is identified that the Provision delivered is not meeting the minimum levels of performance, the Council will regard the College as being at serious risk of failure to deliver the Services, and the provisions set out in paragraph 5.4 will apply.
