List of Reports in PaM 2008/09

Overview
A number of reports within PaM are provided via the Reporting tab. The reports available are divided into the following categories:

- WBL Core Provider Performance
- WBL Other Provider Performance, including WBL Minimum Levels of Performance
- WBL Provider Funding
- FE Core Provider Performance
- FE Other Provider Performance, including FE Minimum Levels of Performance
- FE Provider Funding and Enrolments
- FE Other Provider, including Mix of Provision report
- Other Provider, including Mix of Provision report

A fuller description of each report can be found in the following table. More details of each report can be found in the PaM User Guides.

Note: Drill-down reports are not visible from the selection lists; they cannot be selected on their own, but via another report in the same category.
