Accessing the Planning and Modelling system

1. Type the following URL into your web browser:
   https://gateway.lsc.gov.uk/providergateway/

2. Click on Useful Links towards the left hand side to access the link for the Planning and Modelling system

Please Note: Before accessing the Planning and Modelling system, please ensure your Super User has given you either:

- Read-Only OR Read-Write access to the system. Without this, you will not be able to access the relevant controls within the application (e.g. Create a Plan)
Accessing the Planning and Modelling system

3. Once your Super User has provided you with the correct access, select Planning and Modelling (PAM) system from the list.

4. After a short wait, you will be asked to enter your login details to access the application. Enter your login details in the format below (do not include the isp).
Accessing the Planning and Modelling system

5. You should now be logged into the Planning and Modelling system.
6. Clicking on the News and Alerts tab (Planning and Modelling tab) will allow you to access the PaM SharePoint site to access Documents and Announcements.
7. Before the page appears, you may be asked to authenticate your login in order to access the site. If you are using Windows XP, enter your details as shown below:

**NB:** Type ‘isp’ only once before your User name, enter your password and then click OK.

If you are using Windows 2000 or an older version, enter your details as follows:
