Closure of the Learner Surveys 2009/10 window

The Learner Views survey window for 2009/10 closed on Friday the 26th February and we would like to thank you for your support in helping to gather responses.

Grades, scores and other feedback from the surveys will be shared with pilot sites in June.

Implementation of the Framework for Excellence (FfE) 2010

Recently the FIE Sponsoring Board, which includes members from BIS and DCSF, approved the provisional recommendations for implementing the FIE in a phased approach in school sixth forms from September 2010. It is likely that the performance indicators (PIs) to be rolled out will be:

1. Learner Views
2. Learner Destinations
3. CVA – Contextual Value-added

These three indicators will be published for the first time in 2012.

In addition, DCSF will continue to develop and quality assure the data for:
4. Success Rates
5. Level 2 Threshold
6. Level 3 Threshold
7. Funding per Successful Outcome

Subject to the quality of data, the intention will be to also publish these indicators, with the exception of Funding per Successful Outcome, in 2012.
Ministerial submission

The DSCF are preparing a Ministerial Submission to confirm the details of the implementation of the FfE in school sixth forms.

Passing of ‘The Commencement Bill’

The Commencement Bill - The Apprenticeships, Skills, Children and Learning Act 2009 (Commencement No. 2 and Transitional and Saving Provisions) Order 2010 went through on Thursday 18th February. This is the statutory move which will allow the new legislation in governance [is this the right terminology?] to happen.
