1 FOR WHICH APPLICATIONS MUST YOU USE FORM FLR(M)?

Form FLR(M) must be used if you are applying for an extension of stay in one of the following categories:

- spouse or civil partner of a person present and settled in the UK
- unmarried or same-sex partner of a person present and settled in the UK

You and any children under 18 applying with you must be in the UK to apply.

Anyone applying for an extension of stay in the above-mentioned categories must apply - also on form FLR(M) - for a biometric immigration document, otherwise known as an identity card for foreign nationals.

For more information about this, please read Identity Cards for Foreign Nationals on pages 5 and 6 of these guidance notes.

If you have already been given leave to enter or remain for 2 years as the spouse, civil partner, unmarried or same-sex partner of a person present and settled in the UK, and are nearing completion of that period, you must use form SET(M) if you want to apply for indefinite leave to remain.
If you are a national of a country from outside the European Economic Area (EEA) and your partner is an EEA national exercising Treaty Rights in the UK, you should not be applying on form FLR(M). As a family member of an EEA national, you should apply for a residence card or permanent residence under EEA Regulations on form EEA2 or EEA4 depending on your circumstances - see our website.

2 QUALIFYING FOR AN EXTENSION OF STAY

To qualify for an extension of stay in the categories for which you have to use form FLR(M), you must meet the relevant requirements in Part 8 Section 1 of the Immigration Rules, which are on our website.

If you are applying for an extension of stay (rather than indefinite leave to remain) even though you have completed or are about to complete 2 years’ permitted stay as the partner of the same person, give the reason in section 4 of the application form and explain in more detail in a letter if necessary.

Possible reasons are that you have not yet obtained a relevant qualification demonstrating your knowledge of the English language and life in the UK; or that you prefer to apply for an extension of stay because of personal circumstances to do with your relationship with your partner.

3 WHO MAY APPLY ON THIS FORM?

You and your children under 18 if they are applying as your dependants.

Children aged 18 or over may not be included; they must each apply individually and pay the specified fee, as must any children under 18 if there is some reason preventing them from applying with you.

4 THE FEE

If you are a single applicant, the current specified fees for applications on form FLR(M) are £475 for postal applications or £730 for the premium service at one of our Public Enquiry Offices.

If any children under 18 are applying with you, there is an additional fee of £92 for each child for postal applications or £118 for the premium service.

Please note the following:

• If you do not pay the specified fee, the application will be invalid and will be returned to you.

• We will not refund the fee if we refuse the application or if you withdraw it.

For information about methods of payment, please see the payment details guidance on page 2 of the form.

For more information about the current fees, please go to our website.

5 WHEN TO APPLY

You and any children under 18 applying with you should apply before the end of your/their permitted stay in the UK.

6 MAKING SURE YOUR APPLICATION IS VALID

Paragraphs 34-34I of the Immigration Rules specify certain requirements with which an application on a form specified for the purpose of the Rules must comply. To make a valid application, you must:

• apply on the current version of form FLR(M).

• pay the specified fee by one of the methods specified in the payment guidance.

• provide photographs of yourself, your partner and any children under 18 applying with you as specified in the application form and which meet the mandatory format standards specified in the photograph guidance.

• complete sections 1, 5 and 8 of the form as required and section 3 if any children under 18 are applying with you.

• make sure the relevant declarations in section 11 are signed by you and your partner.

• send the application by prepaid post to UK Border Agency or make it in person at a Public Enquiry Office.

If you fail to do any of these things, your application will be invalid and we will return it to you. This could result in the loss of appeal rights if your permitted stay has run out by the time you make a valid application.

7 ENSURING YOUR APPLICATION IS COMPLETE

You do this by completing every relevant section of the form as required and providing all the documents specified for your particular application, including your passport and those of any children who are applying with you.

If you do not do this, we reserve the right to decide your application on the basis of the information and documents provided.

It is important, therefore, to provide an explanation if you cannot give us all relevant information or documents when making your application.

8 COMPLETING THE FORM

Please use a black pen to complete the form; write names, addresses and similar details in capital letters.

In the payment details and other sections where you give personal details and addresses, leave an empty box between each part of the name and of the address.

Please note that we always use the personal details in an applicant’s passport or travel document for official purposes, including any identity card issued if the application is successful.

Take care to complete all sections as required, including the Personal History section. Follow the guidance on page 2 of the form when completing the payment details. Read the notes in various sections of the form.
As already emphasised in part 7 of these notes, you must enclose a letter of explanation if you are unable to provide all the required information or any relevant specified documents.

9 PHOTOGRAPHS

For your application to be valid, it is mandatory to provide the following photographs:

- Two identical passport-size photographs of yourself with your full name written on the back of each one.
- One passport-size photograph of your partner with his or her full name written on the back of it.
- Two identical passport-size photographs of any children under 18 applying with you with their full name written on the back of each one.

The photographs you provide must also comply with the mandatory format requirements specified in the separate UKBA photograph guidance. The application will be invalid if they do not.

Please ensure that you place the photographs in a small sealed envelope and attach it to section 1 of the form as instructed there - and without any staples, clips, pins or anything else which could mark or damage the photographs.

The photographs will be checked against the images taken when your biometric features and those of any children applying with you are enrolled.

10 DOCUMENTS

Documents provided with the application must be originals. Copies of any kind are not acceptable unless there are valid reasons for not being able to provide the original document. In such circumstances, we may accept a copy certified by the body or authority which issued the original (for example, a copy of a savings book certified by the building society or bank), or by a notary.

The reasons for not being able to provide the original document must be explained in a covering letter. We are unlikely to grant your application without the original document.

Any documents which are not in English must be accompanied by a reliable English translation.

Make sure passports or travel documents are signed.

11 APPLYING BY POST - THE ADDRESS

If you are applying by post, the address to which you must send an application on form FLR(M) is:

UK Border Agency
Leave to Remain - FLR(M)
PO Box 495
Durham
DH99 1WR

Posting it to any other address will not only delay your application but could make it invalid. This address is only to be used when sending your application. Please use the address given in part 15 for any other correspondence about your application.

If you use Recorded or Special Delivery, this will help us to record the receipt of your application. Make sure that you keep the Recorded or Special Delivery number.

We will return your passport(s) and other documents by Recorded Delivery. If you would like them to be returned by Special Delivery, you must provide a prepaid Special Delivery envelope which is large enough.

You will receive a letter of acknowledgement within a few days of your application being received, unless there is a problem concerning the payment of the fee. The validity of your application will then be checked and we shall contact you in writing if your application is invalid.

12 APPLYING IN PERSON

We offer a premium service to people who apply in person at our Public Enquiry Offices (PEOs). This service is available only for applications which are straightforward and do not require further enquiries. The premium rate of £730 has to be paid for this service - plus £118 per child under 18 if any are applying with you.

Appointments. To apply in person, you must book an appointment in advance with one of the PEOs. You can do so online at https://ukbabooking.homeoffice.gov.uk/.

Please note that identity cards will be posted to successful applicants within 7 working days of your appointment; they cannot be issued on the day itself.

The PEO addresses, opening times and website address for appointments are given on the front page of these guidance notes.

For the latest information about their opening times and services, please see our website.

13 DECISION TIMES

For the latest information on our service standards for deciding charged applications please go to our website.

Applications which are not straightforward or which need further enquiries take longer to decide. These include applications by people who have remained here unlawfully after the expiry of their permitted stay.

As we cannot tell in advance how long it will take to decide particular cases, our general advice is not to make any non-urgent travel arrangements until your passport(s) or travel document(s) are returned to you, followed by your identity card(s) if your application is successful.
14 YOUR STATUS WHILE YOUR APPLICATION IS BEING CONSIDERED

If you and any children under 18 apply before the end of your permitted stay in the UK, your/their existing immigration status, including any permission to work, will continue until your/their application(s) is/are decided.

If you need to contact us after you have applied, please do so as follows.

20 DATA PROTECTION NOTICE

We will treat all information provided by you in confidence but may disclose it to other government departments, agencies, local authorities, the police, foreign governments and other bodies for immigration purposes or to enable them to perform their functions.

We may also use the information provided by you for training purposes.

The information in the payment details page will be known to the private contractor engaged by the Home Office to process fee payments.
On 25 November 2008, under the provisions of The Immigration (Biometric Registration) Regulations, identity cards were introduced for certain foreign nationals applying for permission to remain in the UK. The requirement to apply for such an identity card is gradually being extended across the whole range of immigration applications.

Everyone applying for an extension of stay in the categories for which form FLR(M) has to be used must apply for an identity card.

Further information about these measures, which are based on powers contained in the UK Borders Act 2007, can be found on our website.

a. What is an identity card?

The identity card for foreign nationals is a residence permit which holds your biographic details (name, date and place of birth) and biometrics (see 21b), and shows your immigration status and entitlements while you remain in the UK.

This replaces the practice of placing a UK residence permit in the passport of anyone granted permission to remain in the UK. If you are issued with an identity card, you will receive a leaflet giving more information about it and explaining your obligations as an ID cardholder.

b. What are biometrics?

Biometrics are the unique physical characteristics that can be used to identify you, such as a facial image and fingerprints. These are the biometrics which we enrol (ie record) for the purposes of the identity card. We do so by taking a digital photograph of all applicants and the fingerprints of applicants aged 6 and over.

c. Having your biometrics enrolled

If you are required by law to apply for an identity card, you must make arrangements to have your biometrics enrolled as part of the application process.

- Applying in person (premium service applications)

If you wish to apply in person, you must book an appointment. Your biometrics and those of any children under 18 applying with you will be enrolled at your appointment. You can book an appointment online at https://ukbabooking.homeoffice.gov.uk/.

- Applying by post

If you apply by post, provided the specified application fee has been paid, you will be sent a notification letter telling you to arrange for your biometrics to be enrolled within 15 working days. Currently, this can be done by booking an appointment at Home Office biometric enrolment centre (see 21d), or by going to one of a small number of Post Office branches.

The option of attending a Post Office branch is currently available only to single applicants aged 16 or over who live near one of the Post Office branches providing this service. The letter will supply all relevant information for anyone using the Post Office service. There is more information about this at our following website address:

http://www.ukba.homeoffice.gov.uk/contact/contactspage/post-office-biometric-enrolment/

d. Attending a biometric enrolment centre

You can book an appointment at a Home Office biometric enrolment centre either online at our following website address: https://ukbabooking.homeoffice.gov.uk/ or by calling 0300 123 8895.

When the appointment has been booked, you will be given a booking reference number (BRN) which you should enter in the BRN space in the notification letter. If you have given us your e-mail address, we will confirm the appointment by e-mail (within 24 hours) but we will not send a letter confirming it.

If you have given us your mobile telephone number, we will send a text message reminder 48 hours before the date of the appointment.

In all cases when attending an appointment, you must bring your appointment notification letter with you. Please make sure that it has your booking reference number on it.

e. The enrolment procedure

The enrolment procedure is as follows. You will be asked to place your fingers, followed by your thumbs, on a glass screen for your 10 digits to be scanned. We will then take a photograph of your face.

The same process will be carried out for any children under 18 applying with you, except that any children under the age of 6 will only have their photograph taken.

The biometrics enrolled will then be recorded as part of your/their application(s).

Any children under the age of 16 must be accompanied by a responsible adult when their biometrics are enrolled (see Children under the age of 16 at 21g on page 6).

In some circumstances, you may be required to attend an identity interview if we require further information to establish your identity.

f. How and when will you be notified of the outcome of your application for an extension of stay and for an identity card?

If your application is successful, you will not be issued with a residence permit in your passport. Instead, you will be
issued with a residence permit in the form of an identity card for foreign nationals, which you will receive within the following timescales:

- Applying in person

If your application is successful, you will be sent an identity card or cards for yourself and any children applying with you by secure delivery. The card(s) should reach you within 7 working days of your appointment. Identity cards cannot be issued on the day itself.

- Applying by post

If your application is successful, your passport(s) and other documents will be returned to you with a decision letter. You will then be sent an identity card or cards for yourself and any children applying with you by secure delivery. The card(s) should reach you within 7 working days of the date of the decision letter.

g. Children under the age of 16

For legal reasons, we cannot enrol the biometrics of children under the age of 16 unless they are accompanied by a responsible adult.

If any such children are applying with you as your dependants, we would expect you to be with them when their biometrics are enrolled. If not, the person accompanying them must be a responsible adult aged 18 or over who is either the child’s parent or guardian, or a person who for the time being takes responsibility for the child. Any such person must be named on the application form.

If the person accompanying the child(ren) under 16 is not their parent or guardian, the responsible adult named on the application form must bring with them a letter confirming that they are authorised to take responsibility for the child(ren) when they have their biometrics enrolled. They will also be asked for an acceptable form of identity, such as a passport or driving licence, which will be checked against the details given on the application form.

h. What if you fail to have your biometrics enrolled?

If you make a postal application and receive a notification letter requiring you to have your biometrics enrolled within 15 working days but fail to do so, you will be sent a warning letter. This letter will tell you what you must do to comply with the requirement to have your biometrics enrolled and what will happen to your application if you fail to do so as instructed in the letter.

i. What if you fail to attend a booked appointment?

If you fail to attend a booked appointment, you will be given another opportunity to enrol your biometrics within a limited period. A letter will be sent to you telling you what you must do to comply with the requirement to have your biometrics enrolled and what will happen to your application if you fail to do so as instructed in the letter.

j. What if you fail to comply with the enrolment process?

If you fail to co-operate fully with the enrolment process, for example by attempting to obscure your fingerprints or face, you will be warned that your refusal to comply may result in your immigration application being refused on the grounds of non-compliance with regulations made under the UK Borders Act 2007.

k. What about any medical or physical conditions that may require the UK Border Agency to provide you with special arrangements?

If you and/or any children applying with you have a medical or physical condition which may require special arrangements to be made in order for your biometrics to be enrolled, you must obtain a letter or other document giving the details of any such condition and enclose it with your application.

Appropriate documentary evidence would be a letter from a treating clinician, such as a practising doctor registered with the General Medical Council, giving details of the condition and/or special needs and explaining any arrangements that may be necessary.

l. Do you need to make any special preparations before your biometrics are enrolled?

There are no special preparations as such. However, if your fingers are not clean, you may have to wash them before we scan your fingerprints. Similarly, if you have stain (such as henna), paint or similar substances on your fingers, this could prevent us from recording your fingerprints. If that were to happen, you would have to make new arrangements and that would delay the consideration of your application.

m. What if any identity card issued to me or any dependants of mine is lost or stolen?

You must report the loss or theft of your identity card immediately to the UKBA Card Management Service on 0300 123 2412 - and also to the police as soon as possible. You will need to provide a police reference number and, if one was issued, a police report when you apply for a replacement card on form ICFN(RC).

If you fail to apply for a replacement card within 3 months of reporting its loss, theft or other reason for needing a replacement, you could be liable to a fine of up to £1,000 or curtailment of your stay in the UK.
