You’ve just turned 19 and the Adult Learning Grant (ALG) may be the best present you get this year. If you’re eligible you could get up to £30 a week* which could give you money in your pocket to improve your skills.

You have to be studying at least 450 guided learning hours over an academic year and doing your first full Level 2 or first full Level 3 qualification (including GCSEs, A-levels, BTECs or NVQs). If that applies to you, get in touch with us now and we’ll help you sort it out.

For the latest information or to find out if you’re eligible, visit direct.gov.uk/alg or call 0800 121 8989 or drop into your local college or learning provider.
