

Cheltenham

How to get to us

By public transport

From Cheltenham railway station, bus routes D and E go to the town centre departing from the forecourt. They run every 15 minutes during the day and take around 10 minutes. Both routes set down in Clarence Parade which runs parallel to Crescent Place.

To walk from the railway station (20-30mins), at the roundabout outside the station, head towards the town centre along the Gloucester Road. At the first set of traffic lights turn right into St George's Road. Continue up and over the hill to the next set of the traffic lights and turn into St. George's Place. At the crossroads with Clarence Street, turn right and then right again into Crescent Place.

'Park & Ride' services operate from Golden Valley (M5 Exit 11) and Cheltenham Racecourse (Evesham Road) to town centre.

By car

Restricted car park facility on site. Must request in advance. Pay and display car parking as per map. Bike racks available.

Disabled access to John Dower House

Rear door access only. Lifts to all floors but access is restricted to listed part of the building.
