I declare that this statement consisting of [Redacted] pages, each signed by me is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence at a preliminary enquiry or at the trial of any person, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

Dated this P146 January 19 1978 [Redacted] SIGNATURE OF WITNESS

Chief Inspector P146 has asked me to give a few more details about the statement I gave him today. That was about remarks made to me by police about my sister Rosemary Nelson. I can't remember exactly what date I was in for interview. I was in for three days. I can't remember what day those remarks were made but Special Branch and CID spoke to me each day. I know that two men were Special Branch because they said they were from Special Branch. The one who made the remarks was sort of stocky, about 5'6" or 5'7" with dirty fair hair. Aged between 30 and 32. He was clean shaven. He said just what I put in that statement I gave today. The complaint is just against him. The other man was tall, short black hair. He was clean shaven as well. Blue eyes. Aged about 30 or 32 years old. As regards the comment made about three years ago I can't remember exactly what the date was but I was being interviewed in relation to a stolen car which was left in my garage. I can't give a description of the car. I think it was a man

P121 from Special Branch who said that. It was said when he was taking me from the Enquiry office

at Longon, along its corridor, on its way to
an interview room. P121 about 40 inch
about 5' 8" and really remember what he looks like
as told you the truth. I didn't report it till now
because I just thought it was one of these old
comments. I didn't think much of it. I told Rosemary
Nelson about it when I was telling her about this
in November 1997.
