CONCLUSIONS (CONT'D)

The Investigating Officer is somewhat surprised that a person speaking on behalf of the Lawyer's Alliance for Justice in Ireland should provide so little by way of factual and detailed information. In addition it appears clear that Rosemary Nelson, the subject of the alleged threats, is reluctant to get involved in the investigation into the matter. In all the circumstances it is considered that a satisfactory investigation is not possible. Nevertheless, senior officers in CID and the Sub Divisional Commander, Lurgan have been informed of the allegations. A threat assessment has been made and appropriate action taken.
