Dear Brian

ROSEMARY NELSON - ALLEGED DEATH THREATS BY RUC

Please find attached a copy of a letter which I have recently sent to the RUC.

I understand that the ICPC are supervising an investigation into a complaint involving Rosemary Nelson but that she is refusing to co-operate.

This undoubtedly will remain one of those high profile cases which will run and run. I am currently dealing with a number of treat official letters on this very subject.

It would be very useful for us to have on file some details of the steps taken to encourage Ms Nelson to take forward her complaint.

I would therefore be most grateful for any input (in writing please) from yourselves which would assist me in this.

Many thanks for your kind co-operation.

Yours sincerely

Anne Colville
