

Commissioner. I do recall one discussion in relation to which we were at odds. I wanted there to be research into the activities of interviews by Detective Officers at Castlereagh, and for me (or someone else) to monitor the interviewing to determine to what extent it was a useful exercise, having regard to the frequency that detainees remained unresponsive to questioning. Ronnie Flanagan was opposed to this. The idea came to nothing.

Statement of Truth

I believe that the facts stated in this witness statement are true.
