Dear Secretary of State,

ROSEMARY NELSON - ALLEGATIONS OF HARASSMENT

Thank you for your letter of 27 July 1998. - ^{witness} (attached to J Steele 22/7/98)

I met with Commander Mulvihill on 13 August 1998 and provided him with his terms of reference for this enquiry (copy attached).

I would draw your attention to No.7 and you will see that the involvement of the Police Complaints Authority is not relevant, at present. Should this situation change as a result of Commander Mulvihill's investigation I will, of course, be immediately in touch.

Commander Mulvihill and GERALYN McNALLY have met to discuss the terms of reference in detail and I am informed that both are content.

Yours ever,
R Flanagan
