LSC QCF Implementation: Summary of Action Planning and Key Issues Identification session
Stakeholder engagement and awareness raising

1. Make contact with Awarding Organisations to ensure that QCF qualifications and units are being developed to ensure that QCF can be delivered in the provider offer

2. Prioritise dialogue through partnerships between Governors / institutions, providers and LSC to ensure readiness for QCF delivery

3. Raise awareness and promoting benefits of QCF to learners and HMPS using accessible and persuasive language

4. Seek support (from LSIS) to work cross-provider, cross-institution, cross-region to develop shared units at all levels
