Briefing Note: Update to Funding Guidance for School Sixth Forms in 2006/07 and 2007/08

Version 1: 19 October 2006

Purpose

The purpose of this document is to clarify some points on guidance included in the Funding Guidance for School Sixth Forms for 2006/07 and 2007/08, published by the LSC in September 2006, and should be read in conjunction with the Guidance.

Intended Recipients

This briefing note is intended to be for the information of:
- headteachers and school colleagues, responsible for sixth forms in schools; and
- LSC area partnership teams.

Points for Clarification

1  Figure g: The 2006/07 and 2007/08 national base rates for main qualifications on page 16 of the Guidance, does not include the funding rate for the Advanced Levels (AS/A2) in Applied Subjects. This qualification will be funded at the equivalent rate as its predecessor, the AVCE.

2  Paragraph 131 of the Guidance states that: Foundation and Intermediate GNVQs have been withdrawn in 2005/06, with only resits allowed in January 2007. In fact, a number of Foundation and Intermediate GNVQs have an accreditation end date of 30 November 2006, meaning that they are still eligible for funding for new starters up to this date. Schools should be reminded that the Edexcel and OCR qualifications that are replacing the Foundation and Intermediate GNVQs are the preferred qualifications.
3 The telephone number on the inside front cover of the Guidance (024 7682 3914) should not be used under any circumstances. In all cases, school sixth forms should contact their appropriate LSC office.

4 Annex A of the Guidance sets out the area cost uplifts. The uplifts included in the annex are stated in the incorrect format: for example, the London A uplift is given to be 1.2 per cent, whereas the actual uplift is 1.2, that is 20 per cent.
