City and Guilds  
http://www.city-and-guilds.co.uk/

City & Guilds is the leading provider of vocational qualifications in the United Kingdom. Their qualifications assess skills that are of practical value in the workplace. They are recognised for their quality and are valued by employers in every sector of business. For employers, they also offer the training and qualifications that will help you develop a skilled workforce.

OCR  
http://www.ocr.org.uk/

Through approximately 13,000 different educational establishments around the UK, OCR recognises the achievement of those people who know that qualifications can enhance their life, whether they be young people taking their GCSE's or older people returning to learning after many years' absence.

OCR is responsible to the Government as one of the UK's leading awarding bodies providing qualifications to students at school, college, in work or through part-time learning programmes.

Edexcel  
http://www.edexcel.org.uk/

They work closely with schools, colleges, universities, employers and training providers to help them develop our qualifications to more than two million learners around the world.

Education Development International plc  

EDI have close links with the UK business community and over 100 years experience in developing innovative qualifications which reflect advantages in today's business environment.
