Under Para 10 insert:

10A. Tier 4 Students who qualify for our differentiation arrangements because they are considered to be “low risk” will normally be required to provide fewer evidential documents. Where a Tier 4 Student is exempted from having to provide a document - or a group of documents - under our differentiation arrangements, this will be specifically stated in this guidance. Notwithstanding the differentiation arrangements, the UK Border Agency reserves the right to request the full range of documents from Tier 4 Students in all cases.

10B. A Tier 4 Student qualifies for our differentiation arrangements if he/she:

- is sponsored by a Highly Trusted Sponsor; and
- is applying for entry clearance in his/her country of nationality or for leave to remain in the UK; and
- is a national of:

  - Argentina
  - Australia
  - Brunei
  - Canada
  - Chile
  - Croatia
  - Hong Kong
  - Japan
  - New Zealand
  - Singapore
  - South Korea
  - Taiwan (those who hold a passport issued by Taiwan that includes the number of the identification card issued by the competent authority in Taiwan in it)
  - Trinidad and Tobago
  - United States of America or is
  - a British National Overseas

We will confirm the Tier 4 student’s nationality using his/her passport.

The list of low risk nationalities will normally be reviewed on an annual basis.
Under para 11 add:

The UK Border Agency will refuse any application where a request is made for the supporting documents to be submitted, if the specified documents are not provided to the Agency within the period specified in that request.

60. A Tier 4 (General) Student studying with a Tier 4 sponsor that has a standard licence and is rated either A (Trusted) or B (Sponsor) can get a Confirmation of Acceptance for Studies for a course that leads to an approved qualification for UKBA purposes and is:

- Approved at level 4 or above on the National Qualifications Framework (NQF) or Qualifications and Credits Framework (QCF) in England, Wales and Northern Ireland;
- Accredited at level 7 or above in the Scottish Credit and Qualifications Framework (SCQF) by the Scottish Qualifications Authority;
- A short-term Study Abroad Programmes in the UK as part of the Tier 4 (General) student’s qualification at an overseas university, as long as the qualification is confirmed as being at the same level as a UK degree by UK NARIC. Contact details for UK NARIC can be found on their website at: www.naric.org.uk/; or
- An English language course at level B2 or above of the Common European Framework of Reference for Languages.

Sponsors with a standard Tier 4 sponsor licence rated either A (Trusted) or B (Sponsor) cannot offer courses below degree level that contain work placements. Work placements must be an assessed part of the course and must not exceed 50% of the length of the course in the UK.

60A. If a Tier 4 (General) student has a CAS that was assigned on or after 4 July 2011, and he/she has previously had permission to stay as a Tier 4 (General) Student (or under the student rules that were in force before 31 March 2009), a Tier 4 Sponsor can only give the him/her a CAS for a new course if that new course represents academic progress from his/her previous study (for example the student will be studying for a new qualification at a higher academic level – for instance moving from a course at NQF 6 to one at NQF 7 -, or study at the same academic level that complements or enhances previous study at the same level). The only exception to this is where a Tier 4 (General) student is:

- re-sitting examinations or repeating modules, or
• making a first application to move to a new institution to complete a course commenced elsewhere
