CONTROLLER: Yeah say again your transmission was cut over.

CALLER: Yeah, on site at Aldgate, casualties still being brought out from the tunnel, the front of the station has been searched for secondary devices and all the cordons are being moved back 200 yards.

CONTROLLER: Yes received Alpha Zulu out.

CALLER: BX Alpha Oscar seven nine.

CONTROLLER: Alpha Oscar seven nine go ahead.

09:45:19 CALLER: Yeah if you could show me on the log at Aldgate I'll just confirm that the search area has been cleared, also I'm trying to establish what the cause is and all I've established so far is that witnesses have stated that the floor seemed to explode, so I can't confirm exactly what type of device has been used at this time over.

CONTROLLER: That's received.
