**Document Aim:** The aim of this document is to provide guidance to personnel involved with planning issues on the Defence Estate.

1. **Document Synopsis:** This document provides guidance on the Town and Country Planning Acts to the Crown in Wales.

2. **The "Practitioners" to whom this Guide relates are Defence Estates (DE) personnel and other individuals or organisations tasked with obtaining planning (and related) consents on behalf of DE. Its primary target audience includes construction professionals (e.g. Regional Prime Contractors), DE Surveyors, DE Project Managers and all other DE staff involved in managing or obtaining planning approvals.

3. **The objectives of the Guide are threefold:**

   i) To provide an accessible, comprehensive and clear reference document on the Welsh planning system specific to development on the Defence Estate.

   ii) To explain, systematically, the key procedures and processes underpinning the planning system to which MoD/DE must now adhere.
iii) To provide guidance for Practitioners to ensure consistency of approach in seeking to obtain planning approvals and to minimise planning risk and delay.

4. Structure and Application of the Guide

- **Chapter 1** Introduction

- **Chapter 2** provides an overview of how the planning system is managed and the key bodies involved;

- **Chapter 3** explains the role and importance of planning policy, including a summary of Welsh policy and guidance and the component parts and preparation process for the Development Plan;

- **Chapter 4** provides detailed guidance on the development control process;

- **Chapter 5** sets out DE’s organisational response to stakeholder engagement.

5. An abstract is provided at the beginning of each section to provide an overview of the key points of relevance to Practitioners.
