</tr>
</tbody>
</table>
Background of Informant that may be volunteered
Sensible, was partially mollified by the Airship Ford Mondeo

Other Witnesses

Date, Time of Receipt (in AFOR)
261955Z Apr 93

Any Unusual Meteorological Conditions

Remarks
Would have believed the Airship Ford Mondeo but for the fact that we were told it was operating in the Ilford/Romford area. May we have a Telephone No for the operators of the airship so that we may check its operating area? That would be very helpful.

**REPORT OF AN UNIDENTIFIED FLYING OBJECT**

1. **Date, Time & Duration of Sighting**: 211950Z Apr 93

2. **Description of Object**
   (No of objects, size, shape, colour, brightness)
   Brilliant light, another brilliant light around. Seems bigger than an airliner going into Heathrow.

3. **Location, indoor/outdoor, stationary/moving**
   Outside moving slowly, sometimes stopping then moving

4. **How observed (naked eye, binoculars, other optical device, still or moving)**
   Naked eye - no binoculars

5. **Direction in which object first seen**
   (A landmark may be more useful than a badly estimated bearing)
   Near overhead, then moved away, then came back to overhead again moved to East

6. **Angle of Sight (Estimated heights are unreliable)**
   Seemed quite low

7. **Distance (By reference to a known landmark)**
   Not known

8. **Movements (Changes in 5, 6 & 7 may be of more use than estimates of course and speed)**
   Very slow

9. **Met conditions during observations**
   (Moving clouds, haze, mist etc)
   Clear sky some brilliant stars

10. **Nearby objects (Telephone lines, high voltage lines, reservoir, lake or dam, swamp or marsh, river, high buildings, tall chimneys, steeples, spires, TV or radio masts, airfields, generating plant, factories, pits or other sites with floodlights or night lighting)**
    N/A

11. **To whom reported (Police, military, press etc)**
    RAF

12. **Name & Address of Informant**
    [Redacted]
    London W8

13. **Background of Informant that may be volunteered**
14. Other Witnesses

15. Date, Time of Receipt (in AFOR) 21 1950 Apr 93

16. Any Unusual Meteorological Conditions

17. Remarks
The object was in view throughout the telephone call, was sure that it was NOT the
airship which is advertising the Ford Mondeo? (I'm not convinced?)
