'Recruiting Governors with management for Schools that need them most.'

Local schools need volunteers to become school governors

School Governors' One-Stop Shop (SGOSS) works with businesses across England to help schools find school governors. We are currently working with The Civil Service and Essex Local Authority to help fill a growing number of vacancies in the area.

“ It is a fantastic feeling volunteering as a school governor and making a positive difference in a local school; it's equally amazing to have the opportunity to develop such a variety of transferable skills. I would wholeheartedly recommend this opportunity! ”

Rhiannon Evans, Chair of Governors - Stamford Hill Primary School
