Survey of people who have had a stroke
In hospital after your stroke

Some staff helped you to learn how to do things again. They may have helped you to learn to sit, get dressed, walk, talk, or make a cup of tea. These staff are therapists.

occupational therapist
physiotherapist
speech therapist
Please read each line and **tick** the answer which is nearest your view. 

There are **no** right or wrong answers. 

We are interested in what **you think**.

1. Did therapists come to see you in hospital?
   - yes [ ]
   - no [ ]
   - I don’t know [ ]

2. Did therapists come to see you **soon enough** after you went into hospital?
   - yes [ ]
   - no [ ]
   - I don’t know [ ]

3. When therapists came to see you in hospital, how **often** did they ask you what **you thought** about the work you were doing together?
   - very often [ ]
   - often [ ]
   - sometimes [ ]
   - hardly ever [ ]
   - never [ ]
   - I don’t know [ ]
4. When therapists came to see you in hospital, how often did they ask you what things (like walking, talking, making tea, sitting or dressing) you wanted to work hardest on?

- very often
- often
- sometimes
- hardly ever
- never
- I don’t know

5. While you were in hospital, do you think you saw therapists often enough?

- too often
- about right
- not often enough
- I don’t know

6. While you were in hospital, did anyone explain to you about what stroke was?

- yes
- no
- I don’t know
Now you are **back home**

You may have **new things** to help you, like a seat in your bath, or new taps.

7. When you came home, did you **need new things** to help you, like a seat in your bath, or new taps?
   - yes
   - no
   - I don't know

8. When you came home, were the **new things**, like bath seats or new taps, **already there**?
   - all of them were
   - some of them were
   - none of them were
   - I don't know
9. Do you go to visit therapists, in hospital or in a clinic?

- Yes, I still do [ ]
- I used to [ ]
- I never did [ ]
- I don't know [ ]

10. Did you visit therapists soon enough after you left hospital?

- Yes [ ]
- No [ ]
- I don't know [ ]
11 When you went to visit therapists, how often did they ask you what you thought about the work you were doing together?

- very often
- often
- sometimes
- hardly ever
- never
- I don't know

12 When you went to visit therapists, how often did they ask you what things (like walking, talking, making tea, sitting or dressing) you wanted to work hardest on?

- very often
- often
- sometimes
- hardly ever
- never
- I don't know

13 Do you think you visited therapists often enough?

- too often
- about right
- not often enough
- I don't know
14 Do therapists come to your home?

- Yes, they still do
- They used to
- They never did
- I don't know

15 Did therapists come to see you at home soon enough after you left hospital?

- Yes
- No
- I don't know
16 In your home, how often did they ask you what you thought about the work you were doing together?

very often  [ ]  often  [ ]  sometimes  [ ]  hardly ever  [ ]  never  [ ]  I don't know  [ ]

17 When therapists came to your home, how often did they ask you what things (like walking, talking, making tea, sitting or dressing) you wanted to work hardest on?

very often  [ ]  often  [ ]  sometimes  [ ]  hardly ever  [ ]  never  [ ]  I don't know  [ ]

18 At home, do you think you saw therapists often enough?

too often  [ ]  about right  [ ]  not often enough  [ ]  I don't know  [ ]
