(8) [Not used]; and

(9) within 30 days of the date on which the Water Services Regulation Authority notifies the Appointee of the amount payable under this sub-paragraph, as derived from the following formula:

\[ J = G \times \frac{1}{T} \]

Where

J is the amount payable under this sub-paragraph
G is for each Charging Year the sum of £5.7 million increased by the percentage increase in the Retail Prices Index between that published for November 2005 and that published for November in the Prior Year;

t is equal to the turnover of the Appointed Business as shown in the accounting statements prepared by the Appointee under paragraph 4 of Condition F for the financial year ending 12 months before the start of the Charging Year in which the payment under this sub-paragraph is payable;

T is equal to the aggregate of the turnover of the Appointed Business of all of the companies holding an Appointment under Chapter I of Part II of the Water Industry Act 1991 as shown in their accounting statements prepared under paragraph 4 of Condition F for the financial year ending 12 months before the start of the Charging Year in which the payment under this sub-paragraph is payable

PROVIDED THAT if, in respect of any Charging Year, the Secretary of State issues to the Water Services Regulation Authority any direction or directions under section 37(8) of the Water Act 2003, which requires or require it to recover under this Condition any amount or amounts greater than G, the amount of that excess shall also be recoverable under this sub-paragraph (9).

\[ X = S \times \frac{t}{T} \]

Where the figures in the equation are defined as follows:

"S" is equal to the figure £11.9 million, increased by the percentage increase in the Retail Prices Index between that published for the month of November 1998 and that
published for the month of November immediately preceding the start of the Charging Year in which that renewal fee and special fee are payable;

"t" is equal to the turnover of the Appointed Business as shown in the accounting statements prepared by the Appointee under paragraph 4 of Condition F for the financial year ending twelve months before the start of the Charging Year in which that renewal fee and special fee are payable;

"T" is equal to the aggregate of the turnover of the Appointed Business of all of the Appointees as shown in their accounting statements prepared under paragraph 4 of Condition F for the financial year ending twelve months before the start of the Charging Year in which that renewal fee and special fee are payable.

3.2 The aggregate of the renewal fee and any special fee payable in any Periodic Review Year and of the additional fees payable under paragraph 2(6), in the years immediately preceding that Periodic Review Year, shall not exceed X derived from sub-paragraph 3.1 plus a figure of 0.3, calculated as the sum of the percentages which each such fee represents of the turnover of the Appointed Business, as shown in the accounting statements prepared by the Appointee under paragraph 4 of Condition F, as an average over the five years concluding with the previous Periodic Review Year.

3.3 Where:

(1) [Not used];

(2) a Periodic Review falls to be carried out under paragraph 9 of Condition B; or

(3) [Not used]

the Water Services Regulation Authority may, by notice to the Secretary of State, refer to the Secretary of State for determination by him not later than twelve months after the date which is the Review Notice Date for the purpose of the relevant Periodic Review, the question whether the limits on the fees specified in sub-paragraph 3.1 and 3.2 payable in respect of any Charging Year starting on or after 1 April 2000 should be changed (and if so what change should be made to that limit).
3.4 This Condition shall be modified by the change or changes (if any) to the said limits necessary to give effect to any determination made by the Secretary of State following a reference under sub-paragraph 3.3.”
