

Information Standards Notice – Retirement

Details are given below of the retirement of an information standard formerly approved by the Information Standards Board for Health and Social Care (ISB).

The retirement has been accepted by the Standardisation Committee for Care Information (SCCI), the successor to ISB.

Enquiries about this retirement should be directed to the contact specified below.

| Standard | |
|-----------------------------|---|
| Standard number | ISB 0133 |
| Standard title | Human Papilloma Virus (HPV) Immunisation |
| Details | |
| Date of retirement: | 18 September 2015 |
| Description | <p>This central return is used by Public Health England to monitor the number of girls being offered the HPV vaccine. The return requests aggregate data, mapped to organisational data, to allow analysis of uptake by area team/local authority. From 2014/15 the return is reducing to an annual survey only. SCCI has accepted that the return should be classed as a mandatory data collection and that therefore the ISB approved information standard can be withdrawn.</p> <p>This Notice formally withdraws the following:</p> <p>ISB 0133: Human Papilloma Virus (HPV) Immunisation</p> <p>Amd 161/2010: Change to HPV Cohort Identifiers</p> <p>DSCN 18/2008: Central Return: Human Papillomavirus (HPV) Immunisation Programme – Vaccine Monitoring Minimum Dataset</p> |
